10:35 PM **Karen:** Any new info/decisions?

me: still asking around

10:36 PM might split a room for a month with Mirna
 or might rent room in Crown Heights for 300
 also possible I might stay with girl

10:39 PM **Karen:** Mirna would be good!

 She already knows your habits.

10:40 PM **me:** Yeah, that might be best assuming it's a sure thing

10:41 PM **Karen:** Well, she probably figures she owes you, right?

10:42 PM **me:** owes me?

10:44 PM **Karen:** Well, she's stayed with you a lot, right?

10:45 PM **me:** I'm stayed with her a lot, too

Karen: Does she have a roommate or a one-bedroom?

10:46 PM **me:** this would be a temporary deal we haven't found yet

Karen: oh, she didn't sign a lease in the lower east side?

me: she's leaving at end of month and then doing a temporary room
 for a month

10:47 PM **Karen:** ok, well just keep me posted.

 Love you, nighty night MSTG.

me: night night
